

St Mark's Youth Jumpers : Order Form

As we seek to grow as Jesus' disciple together we are seeking to do all we can to build relationships and help our young people to feel equipped and part of our church family. One element we thought would help with this at this time is a new jumper!

Lots of our young people have never had one before so we're offering a completely new one! They can be worn when we meet in person, on zoom or anywhere they please!

Our young people have spoken & decided that they would like it to be royal blue in colour with the 'St Mark's Youth' logo on one side and their name down the sleeve.

If your son/daughter would like to purchase one please complete the form giving their name and size and then email this back to youth@smch.org.uk & make a **£18 payment to the account below by 1st December**

Account: 00024459
