Coffee bar, servery and kitchen

STYLESMITH | INTERIORS

Servery / coffee bar INSPIRATION

- Low level curved servery in wood with panelling as per the church current panelling
- Lighting above servery
- Light Silestone work top
- Behind survey area (to match finish of servery) for self service coffee area with coffee machines and fridge for mid week groups (as 2nd / 3rd image) colour- F&B Pelt 254
- Some open storage above for cups / saucers etc as shown 4th image (painted in F&B Pelt 254)
- Replace current carpet – review designs with LVT / carpets but tonal colours
- Lighten walls with lighter paint colour – F&B Shaded white 201

Coffee bar and shelving colour Farrow and Ball Pelt 254 (works with the St Marks colours)

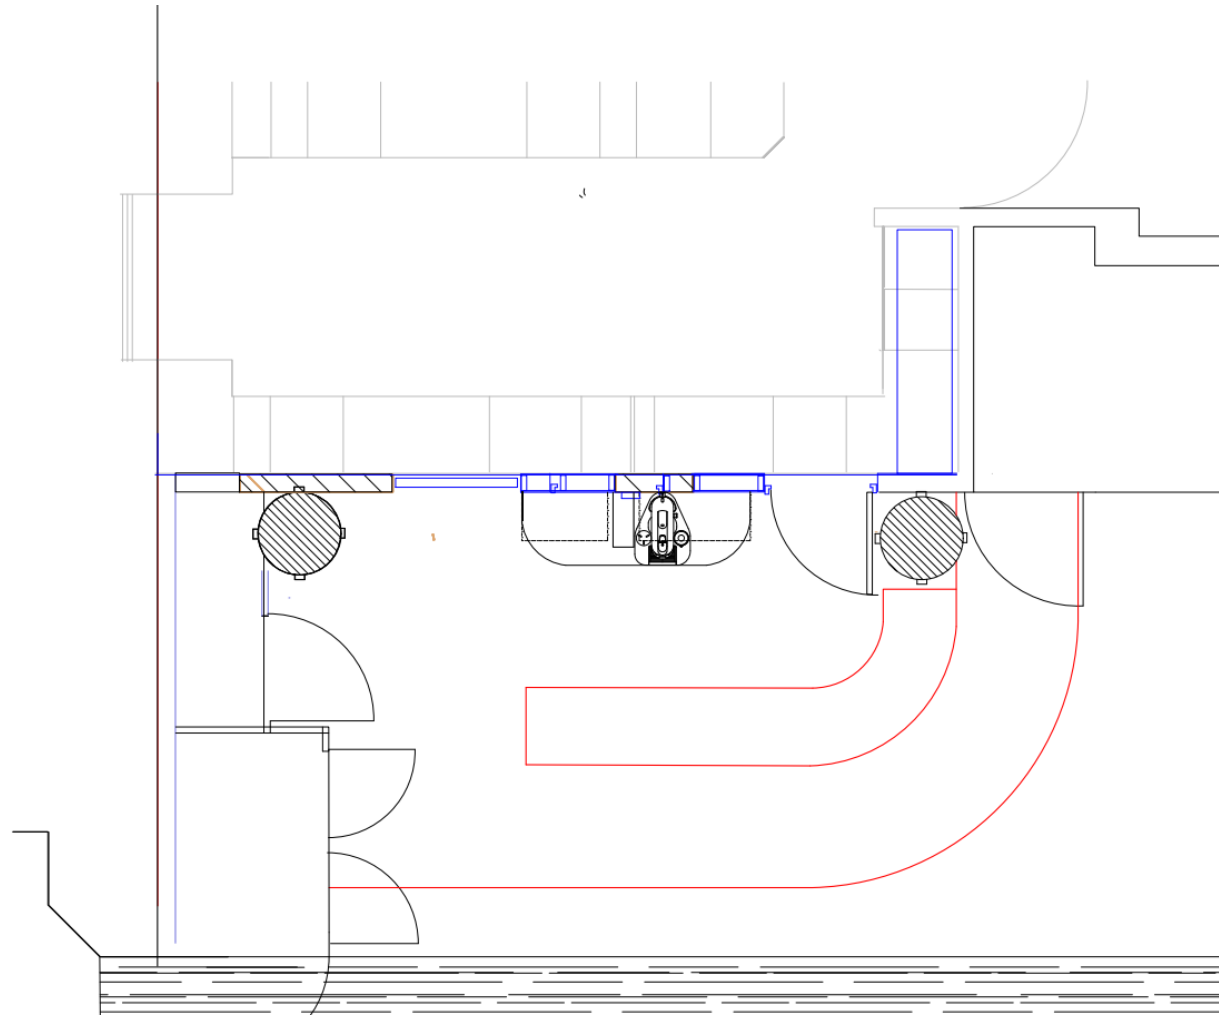

Wall Colour Farrow and ball Shaded White 201
